UMP unité médico psychologique

To Whom It May Concern,

This is to certify that *Kevin Ziad Rahbani,* has been receiving psychological interventions with me since March 24, 2025. He was referred due to symptoms indicative of a potential **Attention Deficit Hyperactivity Disorder (ADHD)**. The focus of our work primarily centers on addressing and managing behaviors related to attention difficulties, impulsivity, and hyperactivity.

Should you require any further information, please feel free to reach out.
